Cos you said the brains I have went to my head

Step outside the summertime's in bloom

Stand up beside the fireplace

Take that look from off your face

Cos' you ain't ever gonna burn my heart out

So Sally can wait, she knows its too late as we're walking on by

Her soul slides away, but don't look back in anger I hear you say

$$|C/E\rangle |D_m\rangle |A\rangle |B_b\rangle |C\rangle |F\rangle |D_m\rangle |C\rangle$$

Take me to the place where you go
Where nobody knows if it's night or day
Please don't put your life in the hands
Of a Rock n Roll band
Who'll throw it all away

So I start the revolution from my bed
Cos you said the brains I have went to my head
Step outside the summertime's in bloom
Stand up beside the fireplace
Take that look from off your face
You ain't ever gonna burn my heart out

So Sally can wait, she knows its too late as we're walking on by
My soul slides away, but don't look back in anger I hear you say

Instrumentalt mellemstykke ("So I start...")

So Sally can wait, she knows its too late as we're walking on by

My soul slides away, but don't look back in anger I hear you say

So Sally can wait, she knows its too late as we're walking on by

1F-1C 1Dm 1B (rubato)

But don't look back in anger I hear you say

Least not today
