

I SHALL BE RELEASED

(BOB DYLAN)

1. They say everything can be replaced
they say ev'ry distance is not near
So I remember ev'ry face
of ev'ry man who put's me here.

Omkv. I see my light come shinin'
from the west into the east
any day now - any day now
I shall be released.

2. They say ev'ry man needs protection
they say that ev'ry man must fall
Yet I swear I see my reflection
somewhere so high above this wall

3. Now yonder standing there in this lonely crowd
a man who swears he's not to blame
All day long I hear him shoutin' so loud
just cryin' out that he was framed.
