late knows love's the cure you can rest your mind assured that I'll be loving you always.

until the dolphin flies and parrots live at sea

We all know sometimes lifes hates and troubles  
 Can make you wish you were born in another time and space  
 But you can bet your life times that and twice its double  
 That God knew exactly where he wanted you to be placed  
 So make sure when you say you're in it but not of it  
 You're not helping to make this earth a place sometimes called Hell  
 Change your words into truths and then change that truth into love  
 And maybe our children's grandchildren  
 And their great-great grandchildren will tell

KOR until the day is night and night becomes the day... osv \*
